To The Census Superintendent in Mysore,

(Through the First Assistant to the Resident in Mysore)

SIR,

With reference to the New Census of the Civil and Military Station I have the honor to request that Ward War totals may be furnished under the following heads.

(1) Males, Females, and Total.

(2) Religions.

(3) Occupations.

These Ward-war totals are of vital importance for administrative purposes, and if the totals are given for wards, the value and utility of the Census will be enhanced ten fold.

With regard to caste and Sub-Caste, I observe that in the last Census, Volume XXIV-C-Table XIII-Part B page vi, a special list of castes was given which were shown as unclassified in the main list. In the present Census an attempt has been made to embody as far as possible the results of the latest investigations of Messrs. H. V. Nanjundiah and Edgar Thurston. I have treated endogamous groups as sub-castes as far as possible, and have also carefully distinguished the linguistic barriers that separate caste from caste. For instance, as regards the population of the Civil and Military Station, it would be utterly misleading and useless to return Tamil Pariahs under the head of Holeya, or Tamil Vannan under the head of Agasa. Hence Vannan

6

Vannan and Paraiyan have been treated as main castes quite distinct from Holeya or Agasa. So with the other castes. A printed note of my instructions is enclosed which will explain further details. I request that in tabulating for the Civil and Military Station in the interests of Ethnography these distinctions may be preserved.

I have issued instructions that native Christians should be entered as Indian Christians and Komatis as Komati Vaisyas. I have ordered a distinction between Kammalas, Kamalas and Panchalas and would rather that the expression Visva Brahmans be dropped as I am reliably informed that the term is only applicable to Artizan Gurus. I would point out that the House Language column will generally be a safe guide to correcting any doubts or inaccuracies in allocating a caste to its proper linguistic group and would suggest that the tabulators be instructed accordingly.

I have issued strict instructions that such titles as Naidu, Mudaliar Pillai, Kavundan etc should on no account be entered as castes or sub-castes. I am astonished to observe that 134 "Mudalis" were returned for the Civil and Military Station at the last Census.

I have the honor to be,
Sir,
Your most obedient servant,

President, Municipal Commission,
Civil and Military Station, Bangalore.
